## Apartment building acquisition inquiry

Dear Property Owner,

Brick Stone International, Inc. is seeking apartment buildings with **24 or more units** in selected Chicago neighborhoods, nearby suburbs and East Chicago, Indiana.

If you are considering selling, we would welcome an opportunity to learn more about your property. Our team reviews each building's income, expenses, condition and day-to-day operations to understand the opportunity.

To start a conversation, please share the property location, number of units, asking price if available, and your contact details. You do not need a complete property package to make an initial inquiry.

**Thinking about selling?**

Scan to view our buying areas and submit a property. No account needed.
